Her Life in a Nutshell

****Hey guys! So, my brain is exploding with ideas as of now, for summer is upon those of us in the Texas Panhandle. Don't worry, I haven't quite given up on **_**Oh How The Mighty Fall, **_**I have a super duper long Chapter One for **_**The Dead Live,**_** and **_**Thnks Fr Th Mmrs**_** will hopefully be up soon. I'm not going to spam you all with every idea I have floating around in my brain, just maybe! Two or Three if I have time. You also have to realize that I'm an incoming freshman that is in Varsity Theatre and Color Guard, so consistency is near impossible for me, as I am a procrastinator, and I will most likely have a crap-ton of homework when school starts back up.****************

****So, back to stories and ideas! This one is obviously **_**How To Train Your Dragon **_** (AU). It does involve an OC, because that is where I find creativity comes best for me. I kind of got this idea from Wizard of Oz, and you'll see why in chapter one. But hey, my chapters have also grown exponentially! Yay! This is just an idea I had after watching HTTYD2 the other day, and I just let it flow. It starts right at the beginning of HTTYD1 and continues from there, past #2, and maybe into the future. That's really up to what kind of feedback I get. SO, if any of you have read **_**The Dead Live**_** , I'm going to use the same character introduction format as that, sooo, good luck, please continue to read, and remember, I love you guys!************

****Character Introduction-****

Cas Hansen

Age: 15 (This is based off the information I gathered in HTTYD2, they're 20 then, and at the beginning, Hiccup says something like, "but that was five years ago", so there's that reasoning)

Appearance: Choppy Brown and hot pink hair, vibrant green eyes with gold flecks, fair skin with a good amount of freckles across her cheeks and nose, slight build, a bit of a slouch, full lips, chewed on nails with black polish, long reddish/pink burn-like birthmark across the back of her neck.

Attire: Fandom merch tee shirts, tanks and hoodies, ripped multi-colored jeans, sweats, beanies, the same old pair of ratty Beatles "Yellow Submarine" Vans.

Hobbies: Art, sketching, singing, drumming, playing guitar, and setting up prank traps. Sometimes her traps aren't pranks.

****First Chapter will be up as soon as possible ****
